Martin Littmann
Chief Technology Officer
Kelsey-Seybold Clinic

“We decided to go with FIBERTOWN because of the partnership we saw with them. They treat us as if we are their only customer.”

Steve Munoz
Camden Property Trust

“We knew that there were several facilities in Houston that would meet our needs. The real x-factor of the decision was to choose the right partner - people, and a company, that would share our values and be willing to work together as partners when the inevitable difficulties come up.”

Allan Skov
Chief Information Officer
Blackstone Minerals

“We decided to go with FIBERTOWN because of the partnership we saw with them. They treat us as if we are their only customer.”

Steve Munoz
